Budgeting Minnesota for Competitiveness Oriented Budgeting and Tax Reform

Presentation by:

Governor Mark Dayton's Chief of Staff, Tina Smith
State Commissioner of Revenue, Myron Frans

Luncheon with Dayton Administration officials who are leading efforts to reform the state's budget and tax system. Chief of Staff, Tina Smith, discusses an outcome-based approach of setting priorities and balancing the budget for the next biennium. Commissioner of Revenue, Myron Frans, presents the challenges in our tax system and seeks your input and opinions on reform. Improving these two functions will drive our economic future and position Minnesota for national global competitiveness.
